Alan called me with a download this morning but I haven't had time to share yet and have to leave early today for a dental appt. In short, Alan reported that things started out a little rocky and confrontational but as things progressed, many community members (including Day Owen) say the value in the open house format and used it as an opportunity to meet and share their various perspectives with each other.

---

Hi Alan,  
Kay is out this week and I was wondering how it went on Friday. Was there a good turnout? Any surprises?  
Sheila
